No. C. 314/20

OFFICE OF THE
INSPECTOR-GENERAL OF POLICE IN MYSORE
Dated Bangalore, 27th/28 January 1922.

Encls.

REV
JAN 1922

From A. Subrahmanya Iyer, Esquire, B. A.,
The Inspector-General of Police in Mysore
Bangalore.

To
S. Hiriannaiya, Esquire, M. A., B. L.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore.
Bangalore.

Sir,

I have the honor to state that a free allowance of 1,00,000 gallons of water per quarter was allowed to the Special Reserve Police lines in Bangalore City, consisting of 63 line houses, thus allowing a free supply of about 500 gallons for each family. The rate of consumption being within the rate of free allowance, there were no excess charges claimed till 1919.

2. According to Government Order No.576- M.1814 dated 9-8-1919, the maximum quantity of free allowance for a building has been reduced to 45,000 gallons a quarter. The Range officer, Chamarajendra Water Works, sent in bills for the first time in July 1920 and the bills for excess water charges up to end of September 1921 come to Rs.485-8-9.

3. The free allowance now allowed for a house is only a little over 200 gallons a month, which is hardly sufficient for a family. Anything less than 500 gallons a month will not be enough and this is the quantity I have recommended for each family in Kolar Gold Fields also.

4. Thus, either the free allowance has to be raised or the charges up to 94500 gallons a quarter has to be paid by the Department. The charges will amount to Rs.37-8-0 per quarter or Rs.150/- a year at the rate of 12 annas per 1000 gallons of excess over this will have to be borne by the men.

5. I request that either of these proposals might be sanctioned.

6. As for the arrears of Rs.485-8-0 as shown below,

Periods for which charges are claimed.	Quantity of water consumed	Excess over free allowance of 45000 gals.	Cost at 12 as per 1000 gallons	Cost of excess up to 94500 gallons or 95000.	Excess over 94500 gallons or 95000.	Cost.
Up to end of June 1919.			1-8-0			1-8-0
Q. E. Dec. 1919.	1,16,000	71,000	53-4-0	37-8-0	21,000	15-12-0
" March 1920.	1,23,610	78,610	59-4-0	37-8-0	28,610	21-12-0
" June 1920.	1,43,050	98,050	73-8-0	37-8-0	48,050	36-0-0
" Septr. 1920.	1,23,600	78,600	59-4-0	37-8-0	28,600	21-12-0
" Decr. 1920.	1,23,600	78,600	59-4-0	37-8-0	28,600	21-12-0
" March 1921.	1,23,600	78,600	59-4-0	37-8-0	28,600	21-12-0
" June 1921.	1,23,600	78,600	59-4-0	37-8-0	28,600	21-12-0
" Septr. 1921.	1,23,600	78,600	59-4-0	37-8-0	28,600	21-12-0
Meter hire for Decr. 19 & June 1920.			1-12-0.			1-12-0
			Rs. 485-8-0	300-0-0		185-8-0

Rs.300/- being the cost of excess charges up to a limit of 94500 gallons per quarter, from the quarter ending December 1919 to the quarter ending September 1921 may be met by Government and remitted as I can point no source in the current year's budget for meeting this sum, and the balance of Rs.185-8-0 being excess charges over the free allowance recommended by me will be borne by the men themselves.

I have the honor to be,
Sir,
Your most obedient servant,

Inspector General of Police.

(10

Letter No. 156-8/1004-6 dated 25th January 1917, from the Secretary to Government, Public Works Deptt, to the Superintending Enginer, Southern Circle.

With reference to correspondence ending with your No. 4014/G dated the 24th April 1916 regarding the question of free allowance to Government Residential buildings on the Kolar Gold Fields having water connections, I am directed to state that for the marginally noted items in the Statement therewith received for which water connections have already been given, free allowances may be granted for the present at the rates shown therein, i.e., at 120 gallons per rupee of rental value and all water consumed in excess may be charged at 15 annas per 1000 gallons. All arrears outstanding up to date should now be recovered and adjusted in the accounts.

Items 1 to 20, 24 to 30 and 38 to 50 or 40 items in all.

2. The free allowance of 30000 gallons already fixed for the buildings of the Geological Department (items 21 to 23) and the special rate of 10 annas per 1,000 gallons sanctioned for the buildings of the Electrical Department (Items 31 to 37) without any free allowance, may continue for the present.

3. For all future house service connections, no free allowance should be granted, but the full quantity charged for at 15 annas per 1000 gallons.
